

EMHC & Lector Schedule – July & August 2010

FYI: Thank you all for getting me the dates that you could not be scheduled. Because of everyone's different vacation/away schedules, you may be scheduled more frequently than normal to cover the ministry positions. I thank you in advance for your flexibility.

Note: The September/October Schedule will be completed by Aug. 27. If you will be away, or have any other special requests for September or October, please let Fr. Rod know before August 22.
